## WELCOME MESSAGE

Welcome to Poland! On behalf of everyone at the International Teqball Federation (FITEQ), the Executive Board is delighted to see the global teqball family gather in Gliwice for the flagship event of the world's fastest growing sport. It has been a challenging year for us all, but this week is about celebrating our shared passion. We will see the best players going head-to-head in five event categories for the first time in our history. We want to thank everyone in the global teqball family for their efforts this year. This week is a reflection of all of your hard work, which has enabled us to reach this point in our collective journey. The world-class Gliwice Arena is the ideal setting for our most prestigious event and the perfect way to end the year. Our thanks must also go to the Polish Teqball Federation, the Polish Olympic Committee and the local and national authorities for their support in the staging of our World Championships. Last but by no means least, good luck to all our athletes and their teams. You have achieved so much to get this far, now you have the chance to turn your dream into a reality!
