TOURNAMENT SYSTEM

The tournament will consist of a group stage and a knockout stage in all categories.

GROUP STAGE

- Best of 3 set games - the first team to reach 12 points, only the decisive set must be won by 2 clear points difference.

KNOCKOUT STAGE

- Best of 3 sets games, only the decisive set must be won by 2 clear points difference.
- Bronze game will be played by the losers of the semi-finals.
- Final will be played by the winners of the semi-finals.

QUALIFICATION RULES

In case of the same results between the teams the following guidelines and rules shall be applied to decide which team finishes higher:

- Direct result (in case of 2 teams);
- Results against each other with better set difference (in case of 3 or more teams);
- Results against each other with better point difference (in case of 3 or more teams);
- Results against the other teams of the group (sets, points);
- In case every result is the same, a coin toss will be made, and the winner finishes higher.

Lucky losers (best 3rd placed teams):

- Lucky losers are selected from the players, teams finished on third position in the groups.
- They are selected based on performance, and not by random draw

To determine the best 3rd places, we check the following principles:

1. Most match points
2. Most sets won
3. Better point difference
4. Most points won
5. Less points lost
6. Strength of groups as per the World Ranking of the teams

They are then randomly drawn against the highest seed positions on the knockout tables without taking care of collisions with players, teams from the same group.

ADDITIONAL RULES

- Warm-up time before the game: 1 MINUTE.
- Time out: ONCE every game. The teams/players do not change side after time-out but remain on their own half as before the Time-out.
- Break between the sets: 1 MINUTE. By entering the event, players agree to abide by The FITEQ Rules and Regulation of Teqball (can be found at www.fiteq.org).
- Call room/area: every athlete must be present there 10 minutes prior to their match otherwise they will receive a warning. After 3 warnings a walkover will be the penalty.

NEW WARNING SYSTEM

During the competition, referees will use cards to demonstrate disciplinary actions, to ensure visibility and understanding of the procedures. Disciplinary actions remain the same according to the rulebook:

- Unsporting conduct occurs when a player makes any inappropriate verbal remark or non-verbal gesture to the opponent players, team officials, referees, spectators or any

other stakeholders who are part of the match/tournament.

- If the Main Referee considers the player's conduct to be unsporting, they may sanction the player according to the following three steps:
- Verbal warning – for unsporting behaviour, the Main Referee must issue a verbal warning to the offending player or team official, without awarding a point, unless the opposing player/team is clearly going to win the point. If the opposing player/team wins the point after unsporting conduct, the point must be awarded, and a verbal warning must be issued afterwards. The Main Referee may use their own words to explain the type of unsporting behaviour and then must warn the player that for the next similar action, a point will be awarded to the opponent player/team. – **WARNING CARD**
- Point awarded to the opponent player/team – in teqball, referees do not use coloured cards. Where an unsporting behaviour takes place for a second time by the player/team or team official, the Main Referee must award a point to the opponent player/team and call out: "Second warning! Point to the opponent!" This step may be used several times if a player continues with unsporting behaviour.
– **POINT TO THE OPPONENT CARD**
- Dismissal – in the case of an extreme offence or continuous unsporting behaviour, the Main Referee may dismiss a player by reporting them to the Competition Manager and/or the Chief Referee. The dismissal must be made by either the Competition Manager or the Chief Referee. After the dismissal, the opposing player/team wins the match, but all previously earned points by the dismissed player remain valid.
- A warning or penalty incurred by any member of a team shall apply to the whole team.
