### INTRODUCTION

The **International Teqball Federation** (FITEQ), as the international governing body of Teqball and Para Teqball, is the organizer of the **TEQBALL WORLD CHAMPIONSHIPS 2022**, which will take place in Nürnberg, Germany from **23 to 27 November 2022** (the Event) at the **Kia Metropol Arena** (Dr.-Ingeborg-Bausenwein-Str. 1, 90431 Nürnberg) (Venue).

Accredited persons may not enter Zones outside of the scope of their badges, unless explicitly authorized by the Organizer. Such explicit authorization may take form of an additional sticker placed on the badge in question.

## SECTION 2 – BADGE CATEGORIES

In general, badges are used to visualize each Accredited person’s access rights and, therefore, facilitates easier management by the Organizer.

From a graphical point of view, there are 3 types of badges issued by FITEQ for the Event: one issued for Athletes, for VIPs and VVIPs and one for all other Accredited persons specified in the above table. Please find an example for all three below:

For Athletes:

For VIPs

For all other persons:

All badges are customized to their individual recipients and include the recipients’ full name, badge category and the access rights associated them by indicating the relevant Zones they may gain access to. Some of the badges may include portrait photos of the bearers in question.

All badges are valid for the following period: 21-27<sup>th</sup> November, 2022 with the exception of the Media and Press (22-27<sup>th</sup> November 2022) and the VIP badges (27<sup>th</sup> November 2022).

Where separate applications are possible, applicants are informed by e-mail whether their application has been successful.

Acceptance of an accreditation request and sending of an invitation is entirely at the discretion of FITEQ without prejudice to the applicable FITEQ Rules (e.g. qualification requirements applicable to the Athletes).

FITEQ may accept or reject accreditation requests entirely at their own discretion and can impose further conditions.

With respect to Accredited persons falling under the Media and press category: Given that there are limited media/press places available, it may not be possible to accept all requests for a media accreditation.

## **SECTION 5 - COLLECTION OF ACCREDITATIONS, IDENTIFICATION CHECK**

Accreditations (badges) may only be picked up by the bearer and not by a representative unless otherwise agreed with FITEQ separately. Accreditations will only be issued upon inspection for identification purposes of a valid photographic identification document previously provided by the relevant person (e.g. passport, ID card) together with a copy of the confirmation e-mail, if any. Accreditations can only be picked up from the relevant accreditation stand at the Venue upon signing a handover form. Please see the handover form under Annex 2 hereof. Handover form contains data privacy language or reference thereto.

Specific rules:

Athletes are also subject to separate control procedure:

Jersey/T-shirt check: At the Venue, FITEQ's competent staff member(s) will check the Athlete's jersey/t-shirt's compliance with the applicable rules of the Official Rules and Regulations of Teqball. Only jerseys/t-shirts so approved may be worn by the Athlete concerned.

Coaches must also confirm, at the Venue, by appropriate documentation whether they hold the relevant coach license issued by FITEQ.

## **SECTION 6 - USE OF ACCREDITATION**

Accredited persons must wear their badges in a visible manner during the Event, at all times. Accreditations are only valid together with a valid photographic identification (e.g. passport or ID card, driving license), which the Accredited persons may be required to present at any time.

Accreditations (badges) are non-transferrable and may only be used by the bearer and may not be assigned to any other person. In case the bearer loses the accreditation, he/she must contact relevant FITEQ staff member immediately. FITEQ reserves the right to charge a fee of €100 (one hundred euros) for the loss of an accreditation. Each application for a reprint will be handled separately. Lost accreditations will be cancelled in order to prevent and avoid misuse.

## **SECTION 7 - CONDUCT AND WITHDRAWAL OF ACCREDITATIONS**

Accredited persons who do not comply with this Policy will have their accreditation withdrawn and may be restricted from attending future FITEQ events. Accredited persons must behave in an orderly manner – befitting of the present Policy and the Competition House Rules – throughout the Event. Any abusive behavior or unbecoming conduct will result in expulsion from the Venue.

Once an accreditation is granted, it may be revoked at any time without liability for compensation to the relevant person. The accreditation of any person found to be accredited under false pretenses will be invalidated immediately.

## **SECTION 8 - BROADCASTING RIGHTS**

No video recording or broadcasting is allowed at the Venue for other than contractual broadcasting partners or other rights holders authorized by FITEQ on match days.

Non-rights holders are not permitted to film anywhere at the Venue on match days at any time but are permitted to record video/audio in the mixed zone and the press conference.

The rules relating to video recording/broadcasting for rights holders/non-rights holders also apply to the use of mobile streaming apps such as Facebook Live, Instagram Live, Twitter Live or similar at the Venue.

## **SECTION 9 - PHOTOS/VIDEOS TAKEN AT THE EVENT**

In addition to FITEQ staff or contractual broadcasting partners defined in Section 8, only media representatives and/or photographers holding a valid Media/press accreditation (badge) may take recordings of the Event in line with the authorizations provided by FITEQ.

Media representatives and/or photographers agree to grant a non-exclusive, global, unlimited and clear copyright license to FITEQ free of charge regarding all the photos or videos taken at the Venue any time during the Event. At the request of any representative of FITEQ, media representatives and/or photographers are obliged to send any photos or videos taken at the Event venues any time during the Event to FITEQ within 5 days of the request.

Photographers will be advised before the match of any designated areas where they may take photos within the playing arena. Photographers are not allowed to sit or stand in front of or to obstruct the view of the advertising boards. Media representatives and/or photographers are not allowed to disturb the competition in any way, especially by entering the playing area any time during the Event.

The following guidelines should be observed when taking photos or videos of any visitor or participant at the Event, especially of athletes during gameplay:

- the recording shall be focusing on the sport / movement / game itself;
- the taking of recordings which, especially based on their timing, angle, magnification, or any other setting or method used, are likely to be perceived as sexualizing, humiliating or degrading in nature, shall be avoided at all times. If, even without any mal-intent, recordings are made of which it becomes apparent later that they are likely to be perceived as sexualizing, humiliating or degrading in nature, such recordings shall be immediately deleted, and in any case shall not be published or used for public purposes in any form;
- the individual rights, especially but not limited to the privacy of any participant of the Event shall be respected at all times. Close-up photography or videography is only permitted upon the express consent of the subject person.

Strobe light photography is not permitted.

Media representatives and/or photographers must guarantee not to publish pictures on the internet which have been electronically modified or adapted, or which would in any way be harmful for the reputation of FITEQ.
