NEW WARNING SYSTEM

During the competition, referees will use cards to demonstrate disciplinary actions, to ensure visibility and understanding of the procedures. Disciplinary actions remain the same according to the rulebook:

- Unsporting conduct occurs when a player makes any inappropriate verbal remark or non-verbal gesture to the opponent players, team officials, referees, spectators or any other stakeholders who are part of the match/tournament.
- If the Main Referee considers the player's conduct to be unsporting, they may sanction the player according to the following three steps:
- Verbal warning – for unsporting behaviour, the Main Referee must issue a verbal warning to the offending player or team official, without awarding a point, unless the opposing player/team is clearly going to win the point. If the opposing player/team wins the point after unsporting conduct, the point must be awarded, and a verbal warning must be issued afterwards. The Main Referee may use their own words to explain the type of unsporting behaviour and then must warn the player that for the next similar action, a point will be awarded to the opponent player/team. – **WARNING CARD**
- Point awarded to the opponent player/team – in teqball, referees do not use coloured cards. Where an unsporting behaviour takes place for a second time by the player/ team or team official, the Main Referee must award a point to the opponent player/ team and call out: "Second warning! Point to the opponent!" This step may be used several times if a player continues with unsporting behaviour. – **POINT TO THE OPPONENT CARD**
- Dismissal – in the case of an extreme offence or continuous unsporting behaviour, the Main Referee may dismiss a player by reporting them to the Competition Manager and/or the Chief Referee. The dismissal must be made by either the Competition Manager or the Chief Referee. After the dismissal, the opposing player/team wins the match, but all previously earned points by the dismissed player remain valid.
- A warning or penalty incurred by any member of a team shall apply to the whole team.
