FOOD AT THE VENUE

There is a canteen/bufe at the venue, so you can buy drinks and food for you.

We have a special athlete package with accommodation and catering, we recommend to choose this option as Grindsted is a little town and doesn't have much options to eat out or order food.

WATER AT THE VENUE

All participants should bring a water bottle to reduce the amount of plastic. You will find water dispensers/stations to refill your bottles. In Denmark the quality of drinking water is highly clear.

There will also be some fruit and snacks at the venue in limited amounts.

TRANSPORT TO THE VENUE

The accommodation options we have suggested for you are within walking distance of the venue.

The price for a taxi for 15 km is approx. DKK 380(Approx 51€) – distance between Billund and Grindsted

If you need a taxi, use dantaxi on mobile number +45 48 48 48 48 or download the taxi app (dantaxi)
