

Budapest, 20 October 2025

To the Presidents and Secretaries General of All National Federations

Ref: World Teqball Championships 2025

Dear Colleagues,

We have been aware of the challenges and issues arising from the thus-far lack of announcement about the World Teqball Championships this year. First of all, please accept our sincere gratitude and appreciation for your unwavering commitment to our sport and patience during the past few weeks.

FITEQ had been working hard to secure the proper conditions and services with a number of potential hosts. Following the final evaluation of FITEQ Events Department, **Odorheiu Secuiesc, Romania** has been selected as the host city for the 8th edition of the **World Teqball Championships from 3 - 7 December 2025**. This decision will bring our flagship event back to Europe, after two hugely successful editions in Asia.

FITEQ Competition Department is available on all matters pertaining to qualification, Wild Card invitations and overall athlete entries in the 2025 World Teqball Championships in due course.

FITEQ NF Relations will provide immediate information on all matters relating to participation, visas and other logistical matters.

We look forward to the World Teqball Championships 2025 with excitement and strong anticipation as our sport will again showcase excitement, sporting excellence and genuine friendly rivalry on the Field of Play.

Sincerely Yours,

Gábor Borsányi
President

László Vajda
Secretary General
