A / VIP • Hajdú utca • Parking P1

Take M3 to Forgách utca. Walk east along Forgách utca to Hajdú utca, then follow Hajdú utca to Gate A. Follow the internal route east and then south to the VIP parking beside the hall. Allow approximately 12–18 minutes from the metro to the hall.

B / Players & spectators • Béke út • Parking P2–P4

Enter from Béke út opposite Zsinór utca. The three blue rectangles on the venue plan indicate shared player/spectator parking. From Frangepán utca tram stop, walk north on Béke út to Gate B.

Staff • Gate B, Béke út • Parking P5

Enter from Béke út at Gate B, as confirmed by the organiser. The amber rectangle marks the separate staff parking area. Follow the internal access road to P5 and the directions of on-site staff.

Taxi and private vehicle arrival

Tell the driver both the venue name and your assigned access street: Hajdú utca for VIP, or Béke út opposite Zsinór utca for players, spectators and staff. The postal address alone may route you to the wrong side of the complex. Use live navigation for road restrictions and congestion. Parking rectangles indicate areas, not individual bays or guaranteed availability.

Before you travel

Check BudapestGO / BKK for your exact departure time, disruptions and accessible routing. Walking times are planning estimates, not measured itineraries. Gate A/B and parking P1–P5 are identifiers used in this guide; match them to the named streets if on-site signage differs.
